

SOUTH ASIAN COUNCIL FOR SOCIAL SERVICES, INC.

**Financial Statements
for the year ended
December 31, 2025**

Independent Auditor's Report

To the Board of Directors
South Asian Council for Social Services, Inc.

Opinion

We have audited the financial statements of South Asian Council for Social Services Inc. (the "Organization"), which comprise the statement of financial position as of December 31, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of December 31, 2025, and the results of its activities and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not an absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Condon O'Meara McGinty + Donnelly LLP

SOUTH ASIAN COUNCIL FOR SOCIAL SERVICES, INC.

Notes to Financial Statements December 31, 2025

Note 1 – Nature of organization

South Asian Council for Social Services, Inc. (the “Organization”) was organized as a nonprofit corporation under the laws of the state of New York. The Organization is exempt from federal income tax under Internal Revenue Service Code 501(c)(3) as a public charity. The Organization focuses on the social service needs of South Asians throughout the New York City metropolitan area. It also advocates for community and economic development within South Asian and other immigrant communities. The primary activities of the Organization are providing access to healthcare, senior services, food security, and education programs, including computer literacy and English for Speakers of Other Languages classes.

Note 2 – Summary of significant accounting policies

Basis of presentation

The accompanying financial statements are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

Financial statement presentation

The financial statements of the Organization have been prepared in accordance with accounting principles generally accepted in the United States, which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions

Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of Organization’s management and Board of Directors.

Net assets with donor restrictions

Net assets subject to stipulations imposed by donors and granters. The donor restrictions are temporary in nature and those restrictions will be met by the actions of the Organization or the passage of time. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Operating income performance measurement

The Organization considers the increase in net assets from operations, including revenue and expenses directly related to program services, on the accompanying statement of activities to be the operating income for performance measurement purposes. The Organization considers capital fund contributions as non-operating.

Cash equivalents

The Organization considers all highly liquid investments with an original maturity of 90 days or less to be cash equivalents.

SOUTH ASIAN COUNCIL FOR SOCIAL SERVICES, INC.**Notes to Financial Statements (continued)**
December 31, 2025**Note 2 – Summary of significant accounting policies (continued)****Allowance for credit losses**

As of December 31, 2025 and December 31, 2024, all receivables from government agencies are receivable in less than one year. The Organization bases its allowance for credit losses on its historical loss experience, the age of the receivables, and an evaluation of the creditworthiness of the donor. The Organization deems all accounts receivable to be collectible and accordingly, does not have an allowance for credit losses. Such estimate is based on management's experience, the aging of the receivables, subsequent receipts, current economic conditions and anticipated future economic conditions. The Organization did not have any bad debt write-offs in 2025 or 2024.

Deferred grants

Deferred grants represents revenue that has been deferred for the funds advanced by various government agencies and foundations for the Organization's contracts related to services that have not yet been provided to customers. Deferred grants revenue consist of payments made by funding sources for the Organization's contracts for services not yet performed and are expected to be performed within the next calendar year.

Property and equipment

The Organization capitalizes as property and equipment, expenditures over a useful life greater than one year and costing \$5,000 or more, are stated at cost or fair market value, if donated. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which range from 3 to 39 years.

Revenue recognition

The Organization receives grants in exchange for the performance of various services. The Organization recognizes grant revenue as the expenses are incurred to a maximum of the awards.

Special event revenue is recognized when earned, which is at the time the event occurs.

The Organization's revenue for the years ended December 31, 2025 and December 31, 2024 is recognized at a point in time.

Contributions

Contributions are recognized when a donor makes a promise to give to the Organization, that is, in substance, unconditional. Contributions received are recorded as increases in net assets without donor restrictions or net assets with donor restrictions depending on the existence of any donor restrictions.

SOUTH ASIAN COUNCIL FOR SOCIAL SERVICES, INC.**Notes to Financial Statements (continued)
December 31, 2025****Note 2 – Summary of significant accounting policies (continued)****Contributions (continued)**

Contributions, including unconditional promises to give, are recognized as revenue in the period received. Contributions of assets other than cash are recorded at their estimated fair value at the date of donation. Conditional promises to give – that is those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met.

Government grants

The Organization receives grants from government agencies that are conditioned upon incurring qualifying expenditures. Revenue from these grants is generally recognized on a reimbursement basis, that is, when qualifying expenditures are incurred by the Organization. Grants are also generally restricted by the grantor for a specified purpose. Grants whose conditions are met in the same reporting period that the revenue is recognized are recorded as increases in net assets without donor restrictions.

Costs are allocated to these grants in accordance with established procedures. Cost reimbursements under government contracts are subject to audit and adjustment by the various government agencies. The effects of any potential audit disallowances are not reflected in the accompanying financial statements and management does not believe that any potential audit disallowances would have a material effect on the financial statements.

Service revenue

The Organization receives funding from New York City and New York State through fees and government grants. Revenue is reported at the amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing the contracted services. These amounts are due from third-party payors (including government programs). Generally, the Organization bills the third-party payors several days after the services are performed. Revenue is recognized as performance obligations are satisfied.

Contributed nonfinancial assets

Donated services are included in the financial statements as support and expenses in those cases where the services provided: (1) create or enhance nonfinancial assets or (2) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. The value of contributions of casual or occasional services is not included in the financial statements since the recognition criteria were not met. For the years ended December 31, 2025 and December 31, 2024, the Organization received donations of food supplies totaling \$927,937 and \$772,639, respectively.

A number of volunteers, including members of the Board of Directors, have donated significant amounts of their time in the Organization's program services, management and general services and fundraising campaigns. These donated services have not been recorded in the accompanying statement of activities because they do not meet the criteria for recording such services.

SOUTH ASIAN COUNCIL FOR SOCIAL SERVICES, INC.**Notes to Financial Statements (continued)
December 31, 2025****Note 2 – Summary of significant accounting policies (continued)****Operating leases**

The Organization follows the current lease accounting standards, which establishes a right-of-use (“ROU”) model that requires a lessee to record an ROU asset, which represents the right to use a respective asset for the lease term, and a lease liability on the statement of financial position for the remaining future payments due under the lease. The Organization has elected to exclude leases with terms shorter than twelve months. The Organization has determined that that it is not material to discount its leases to their net present value.

Functional allocation of expenses

The costs of providing the Organization’s various programs and other activities have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs services and supporting activities benefited. Expenses attributable to more than one functional expense category are allocated using an estimate of time and effort spent.

Comparative information

The financial statements include certain prior-year summarized comparative information in total but not by functional expense classification. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization’s financial statements for the year ended December 31, 2024, from which the summarized information was derived.

Concentrations of credit risk

The Organization’s financial instruments that are potentially exposed to concentrations of credit risk consist primarily of cash, cash equivalents and receivables. The Organization places its cash and cash equivalents with what it believes to be quality financial institutions. At times during the year, the balance in the Organization’s cash accounts exceeded the FDIC insurance limit, however, the Organization has not incurred any losses to date. The receivables consist of contributions from donors. The Organization’s management monitors the collectability of its receivables on an ongoing basis. As a result, the Organization believes no significant concentrations of credit risk of exists with respect to its cash, cash equivalents and receivables.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from these estimates.

SOUTH ASIAN COUNCIL FOR SOCIAL SERVICES, INC.

Notes to Financial Statements (continued)
December 31, 2025

Note 2 – Summary of significant accounting policies (continued)

Subsequent events

The Organization has evaluated events and transactions for potential recognition or disclosure through June 9, 2026, which is the date the financial statements were available to be issued.

Note 3 – Liquidity and availability of financial assets

The Organization's working capital and cash flows vary due to the timing of payments for contributions, government grants, and other revenue items. The following is a summary of the Organization's financial assets as of December 31, 2025 and December 31, 2024 available to pay general expenditures within one year of the statement of financial position date:

	<u>2025</u>	<u>2024</u>
Cash and cash equivalents	\$ 1,988,987	\$ 1,291,293
Grants and pledges receivable	<u>2,490,924</u>	<u>1,931,328</u>
Total	<u>\$ 4,479,911</u>	<u>\$ 3,222,621</u>

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

Note 4 – Receivables and deferred revenue

The following is a summary of the Organization's grants and pledges receivable and deferred grants revenue for the years ended December 31, 2025 and December 31, 2024:

	<u>2025</u>	<u>2024</u>
Grants and pledges receivable, beginning of year	\$ 1,931,328	\$ 1,069,719
Grants and pledges receivable, end of year	2,490,924	1,931,328
Deferred grants revenue, beginning of year	288,453	375,000
Deferred grants revenue, end of year	247,864	288,453

SOUTH ASIAN COUNCIL FOR SOCIAL SERVICES, INC.

Notes to Financial Statements (continued)
December 31, 2025

Note 5 – Property and equipment

Property and equipment consist of the following as of December 31, 2025 and December 31, 2024:

	<u>2025</u>	<u>2024</u>
Land	\$ 54,000	\$ 54,000
Building and building improvements	3,639,690	3,600,740
Furniture, fixtures and equipment	<u>150,250</u>	<u>115,181</u>
Total property and equipment	3,843,940	3,769,921
Less: accumulated depreciation	<u>573,713</u>	<u>448,546</u>
Net property and equipment	<u>\$ 3,270,227</u>	<u>\$ 3,321,375</u>

Note 6 – Operating lease

In January 2013, the Organization entered into an agreement to lease office space, commencing January 2013 for a term of five years through January 2018 with an option to renew for an additional five-year period. The lease required monthly lease payments of \$3,000 in the first year and escalated to monthly payments of \$3,510 in the last year of the lease. In connection with the lease, the Organization paid a security deposit of \$6,000, which is included in security deposits in the statement of financial position. In February 2018, the Organization extended this lease agreement for an additional five years through January 2023. The lease called for monthly lease payments of \$3,650 in the first year and escalated to monthly payments of \$4,270 in the last year of the lease.

In January 2023, the Organization entered into an agreement to extend the lease for its office space, commencing January 2023 through January 2028. The lease requires monthly lease payments of \$4,932 increasing to \$5,665 per month during the final five years of the lease.

The future minimum annual lease payments are as follows as of December 31, 2025:

<u>Year</u>	<u>Amount</u>
2026	\$ 65,596
2027	<u>67,980</u>
Total operating lease liability	133,576
Less: current portion	<u>65,596</u>
Long-term portion	<u>\$ 67,980</u>

Rent expense totaled \$63,304 and \$56,105 for the years ended December 31, 2025 and December 31, 2024, respectively.

SOUTH ASIAN COUNCIL FOR SOCIAL SERVICES, INC.**Notes to Financial Statements (continued)
December 31, 2025****Note 7– Employee retention credits**

In response to the coronavirus emergency, the Coronavirus Aid, Relief and Economic Security Act and subsequent acts (the “Acts”) were signed into law. The Acts provided, among other things, a refundable credit of certain qualified wages per employee for wages paid or incurred from March 13, 2020 through September 30, 2021. In connection therewith, such credits for the year ended December 31, 2025 totaled \$349,708, which related to eligible periods cover under the Acts, and is reflected as an other addition on the statement of activities.

Note 8 – Retirement plan

The Organization maintains a SIMPLE IRA retirement plan (the “Plan”) for all eligible employees. Eligible employees may contribute a portion of their compensation not to exceed the limit established by the Internal Revenue Service. The Organization matches employee contributions not to exceed 3% of compensation. In connection with the Plan, the Organization incurred costs related to contributions totaling \$28,134 and \$21,507 for years ended December 31, 2025 and December 31, 2024, respectively.

Note 9 – Tax status

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the “Code”). In addition, the Organization has been determined by the Internal Revenue Service to be a publicly supported organization, and not a private foundation as described in Sections 509(a)(1) and 170(b)(1)(A)(vi) of the Code. The Organization qualifies for the maximum charitable deduction for donors.
