TOGETHER, WE CAN CHANGE LIVES

SACSS has empowered and integrated underserved immigrant families, older adults, women, and youth through food security, healthcare access, mental health, workforce development, and essential social services for over 26 years.

Started by a South Asian to help South Asian Communities in metro New York area; SACSS has grown to be the largest provider of FREE end-to-end social services serving the underserved. Today, SACSS serves over 350,000 individuals annually.

This year's SACSS celebration is especially meaningful. Hosted at the 96-year-old Tony Award-winning McCarter Theatre Center, it coincides with the theatre's first-ever South Asian musical, *A Beat of Our Own*—a landmark moment celebrating storytelling, culture, and community.

THE IMPACT OF YOUR SUPPORT

EVERY SPONSORSHIP HELPS TRANSFORM LIVES.

From an individual accessing essential healthcare and navigating critical health services...

To someone building financial independence through workforce training...

To a newly arrived immigrant learning English and gaining confidence...

To a family putting nutritious food on the table...

To a senior enjoying healthy, culturally relevant meals and connection...

To someone finding hope, healing, and resilience through compassionate mental health support...

Your partnership creates opportunity, restores dignity, and strengthens our community—one life, one family, and one future at a time.

YOUR PARTNERSHIP. THEIR POSSIBILITY.

Your sponsorship is more than a contribution—it is a catalyst for opportunity, dignity, and hope. Together, we can nourish families, empower individuals, strengthen communities, and transform lives for generations to come.

You can extend your impact even further by encouraging employee participation. Many companies offer workplace giving and matching gift programs that can double—or even triple—the value of charitable donations. We invite you to promote giving among your employees and explore your company's matching gift opportunities to maximize your collective impact in support of SACSS's mission.
